# MovieNite™ PLUS

Streaming Media Player

## Stream new movie releases the same day they come out on DVD with VUDU

VUDU® gives you instant access to the latest movie and TV show releases and you only pay for what you watch.

## Enjoy a home theater experience in stunning 1080p clarity

Get the best HD resolution possible with a 1080p HD experience at an affordable price.

## Easy setup will have you watching in minutes, on almost any TV

Built-in wireless functionality, easy onscreen menu system, and HDMI and composite video/audio connections make set up a breeze. With MovieNite Plus, the only difficulty you'll experience is deciding what to watch.

## Transform your living room into a home theater with Netflix

Instantly stream thousands of movies and shows to your TV without the hassle of expensive tickets or late fees.

## Tap into the endless entertainment of YouTube

Endless entertainment options are only a click away. Watch movies, trailers, or that video everyone is talking about, all from the comfort of your couch.

## More apps and channels

Expand your entertainment options with more channels and apps available to enjoy. Access Picasa, Flickr, Facebook, Twitter, Crackle, and more from the library of content in MovieNite Apps.
