

We got you covered

D-Link is dedicated to setting new standards with our industry-leading business class networking, wireless, and surveillance products. In fact, we're so confident in the reliability of our products, we offer warranties that truly demonstrate our commitment – giving you full assurance that we stand behind every product, every time.

The Lifetime warranty on our business class switching and wireless products reflects our commitment to provide even more quality, performance and value. This true Lifetime hardware warranty also includes Next Business Day (NBD) advance hardware replacement for all covered products¹.

D-Link technical support is available 24 hours a day, 7 days a week, to help our customers resolve basic configuration issues and technical challenges. Customers can feel confident that our team will be available anytime to help get their network environment up and online as quickly as possible.
